

VASHON PARTNERS IN EDUCATION
2018-2019 TECHNOLOGY GRANT ADDENDUM

To ensure that granted technology is used to its potential and that it is compatible with district hardware/software, please fill in the following:

Give two examples of how you would use this new technology to enhance the curriculum.

What is your experience working with the requested equipment? Have you had any training? Please specify.

How will you learn to use the equipment? (ESD workshop? Online? VISD workshop)
Who will pay for your training?

Have you investigated what kind of licenses are required (software)?

Have you requested money for a complete order?
